*Thursday, Feb. 8<sup>th</sup>  
Begins promptly at  
6:00 p.m. and  
ends by 6:30 p.m.*

Please join Mrs. Paula for an informative talk about Walden's private Kindergarten and the advantages of our private, smaller classroom experience.

Hands-on science lessons!

Educational field trips!

Walden's Kindergarten pursues excellence in academics and social development using proven and innovative curriculum, and more importantly, the advantage of more individualized instruction.

Walden's curriculum uses the highest rated materials, using whole language and literature based materials:

\*

Houghton Mifflin's Reading and Math

\*

Whole Language and Literature based reading programs by Harcourt School Publisher

\*

Pearson Phonics

Celebrating milestones!

More importantly, Mrs. Paula has over 37 years of teaching experience dedicated totally to the education of the Kindergarten child. Her wealth of knowledge and understanding is rare and

her availability to families as an advocate in their child's learning experience is instrumental in guiding your child to future success and fulfillment.

Enriching and interactive phonics lessons!

Please see Mr. Mike and let us know if you will be able to join us for this informative Kindergarten presentation.
